

Elevate Your Professional Skills

2025 Public Training Schedule

Equity Technical Institute (ETI) is committed to developing and delivering hands-on and relevant training for industrial processing and manufacturing professionals. Our courses blend theory with practical applications to provide you with the tools and knowledge needed to tackle complex challenges head-on.

We are proud to be an API-U preferred provider, which means our API-U courses have undergone API's critical review and approval. Plus, all specialized ETI courses follow the same high-quality standards as the API-U courses. All API-U and ETI courses qualify as activities for API's continuing professional development requirements.
